Directions: Solva is situated on the A487 near St Davids.

To access the Sand Quay where all boats MUST be offloaded, approach uphill from Lower Solva and then turn left down the access road to Sand Quay at the WSRA Longboat Sign. The road is very narrow and has passing places; please obey the Marshalls. On arrival at Sand Quay, offload the boat and then return towing vehicles and trailers to the Lower Solva Car Park. There is reserved space in the car park for trailers and cars attending the event. When the event is over boats can be recovered by reversing the procedure under control of the Marshalls.

Vehicles approaching from the St David's direction MUST go down hill past the entry to the event and turn around in the Lower Solva car park to make an uphill approach.

No boats or cars will be allowed on Trinity Quay.

For Local facilities please see the Solva Life website: <http://solvalife.net>

Can all teams holding trophies for this event please return them on Race Day.

The Races will be conducted under WSRA rules and is an official WSRA event.
